Charles,

I haven't known you long but from what I can tell you're really a great guy. Have a great summer and I hope to see you sometimes.

Peggy "70"

Dear Charlie,
To the innocent who makes mistakes in the game of love that is life. Don't worry about that you'll be able to get over it anyway. Hope you have a great time. Remember to have fun as well as study. Love Martha (70)

Hi Doug, You have hope in high school. Keep it up, you'll do better next yr.
Sandra '70

Dear Doug,
Boo!!!
Don't drug too much. Always Bonnie

Dear Doug,
I'm glad I met you. Hope you have a great summer. Love Dawn

WELCOME TO THE LAND OF SEVENTY

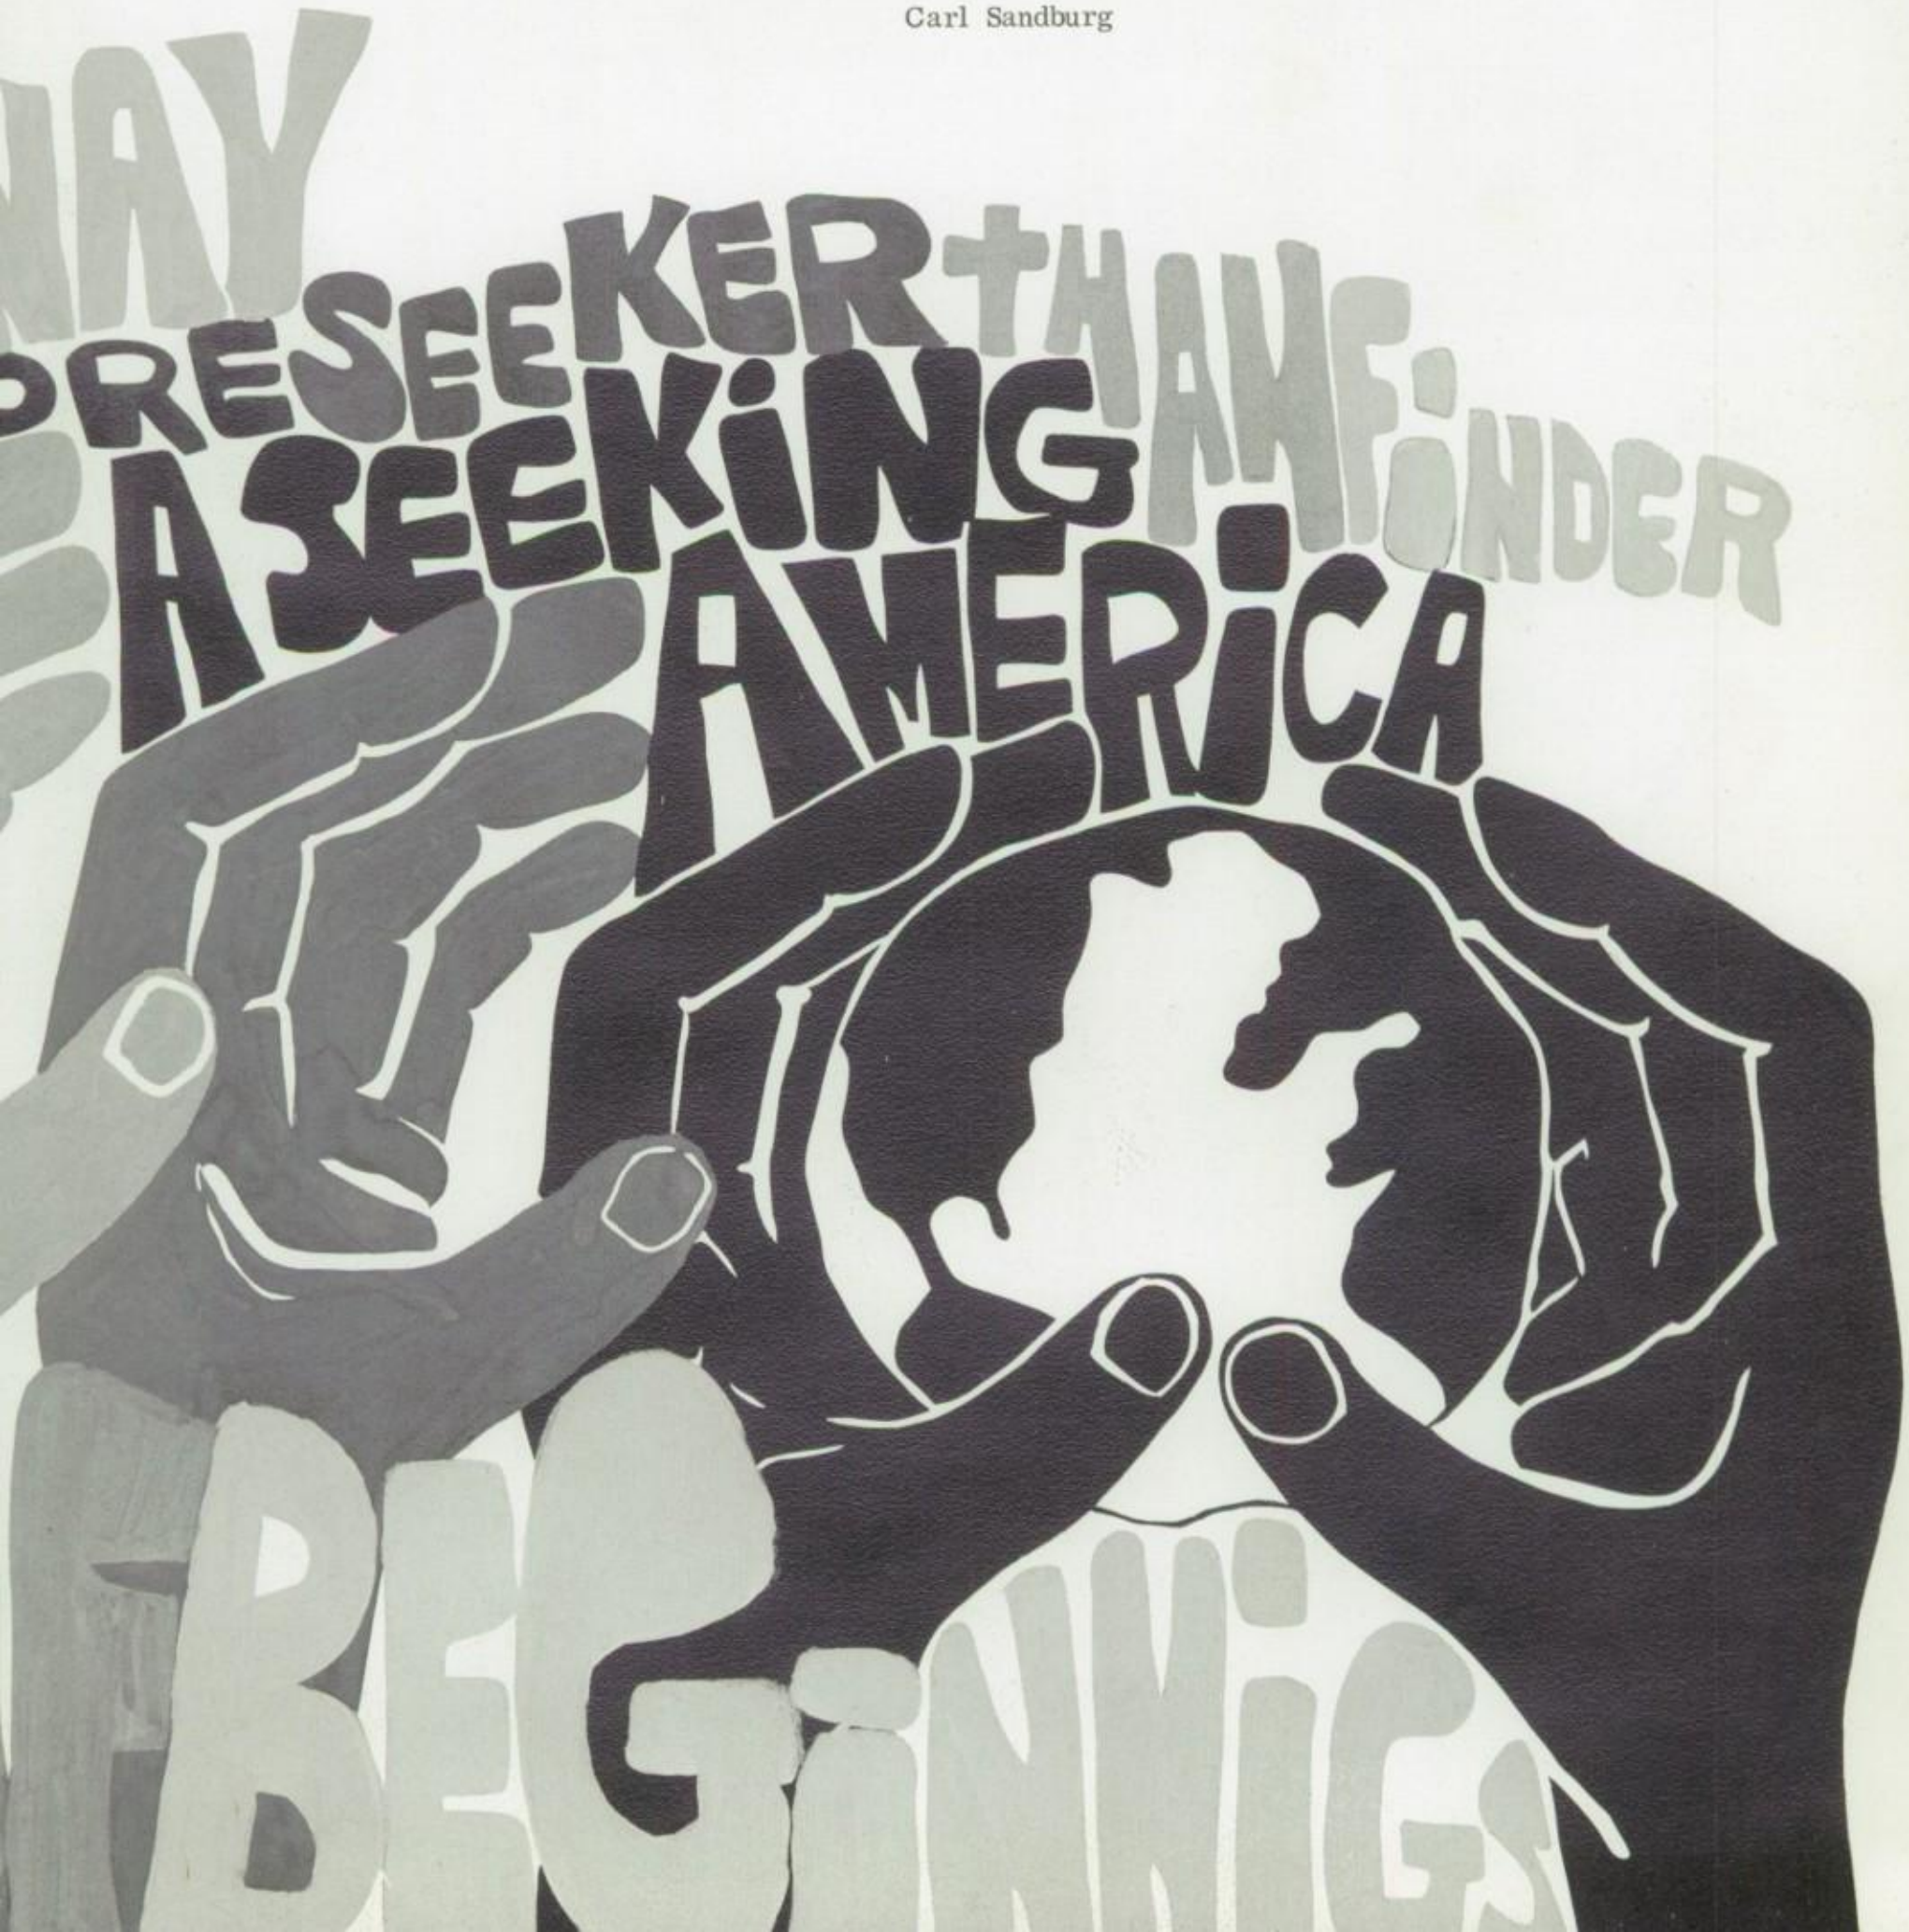
EVER A SEEKER

The fingers turn the pages.
The pages unfold as a scroll.
There was the time there was no America.
Then came on the scrollan early
America, a land of beginnings,
and American being born.
Then came a later America, seeker
and finder, yet ever more seeker
than finder, ever seeking its way
amid storm and dream.

Carl Sandburg

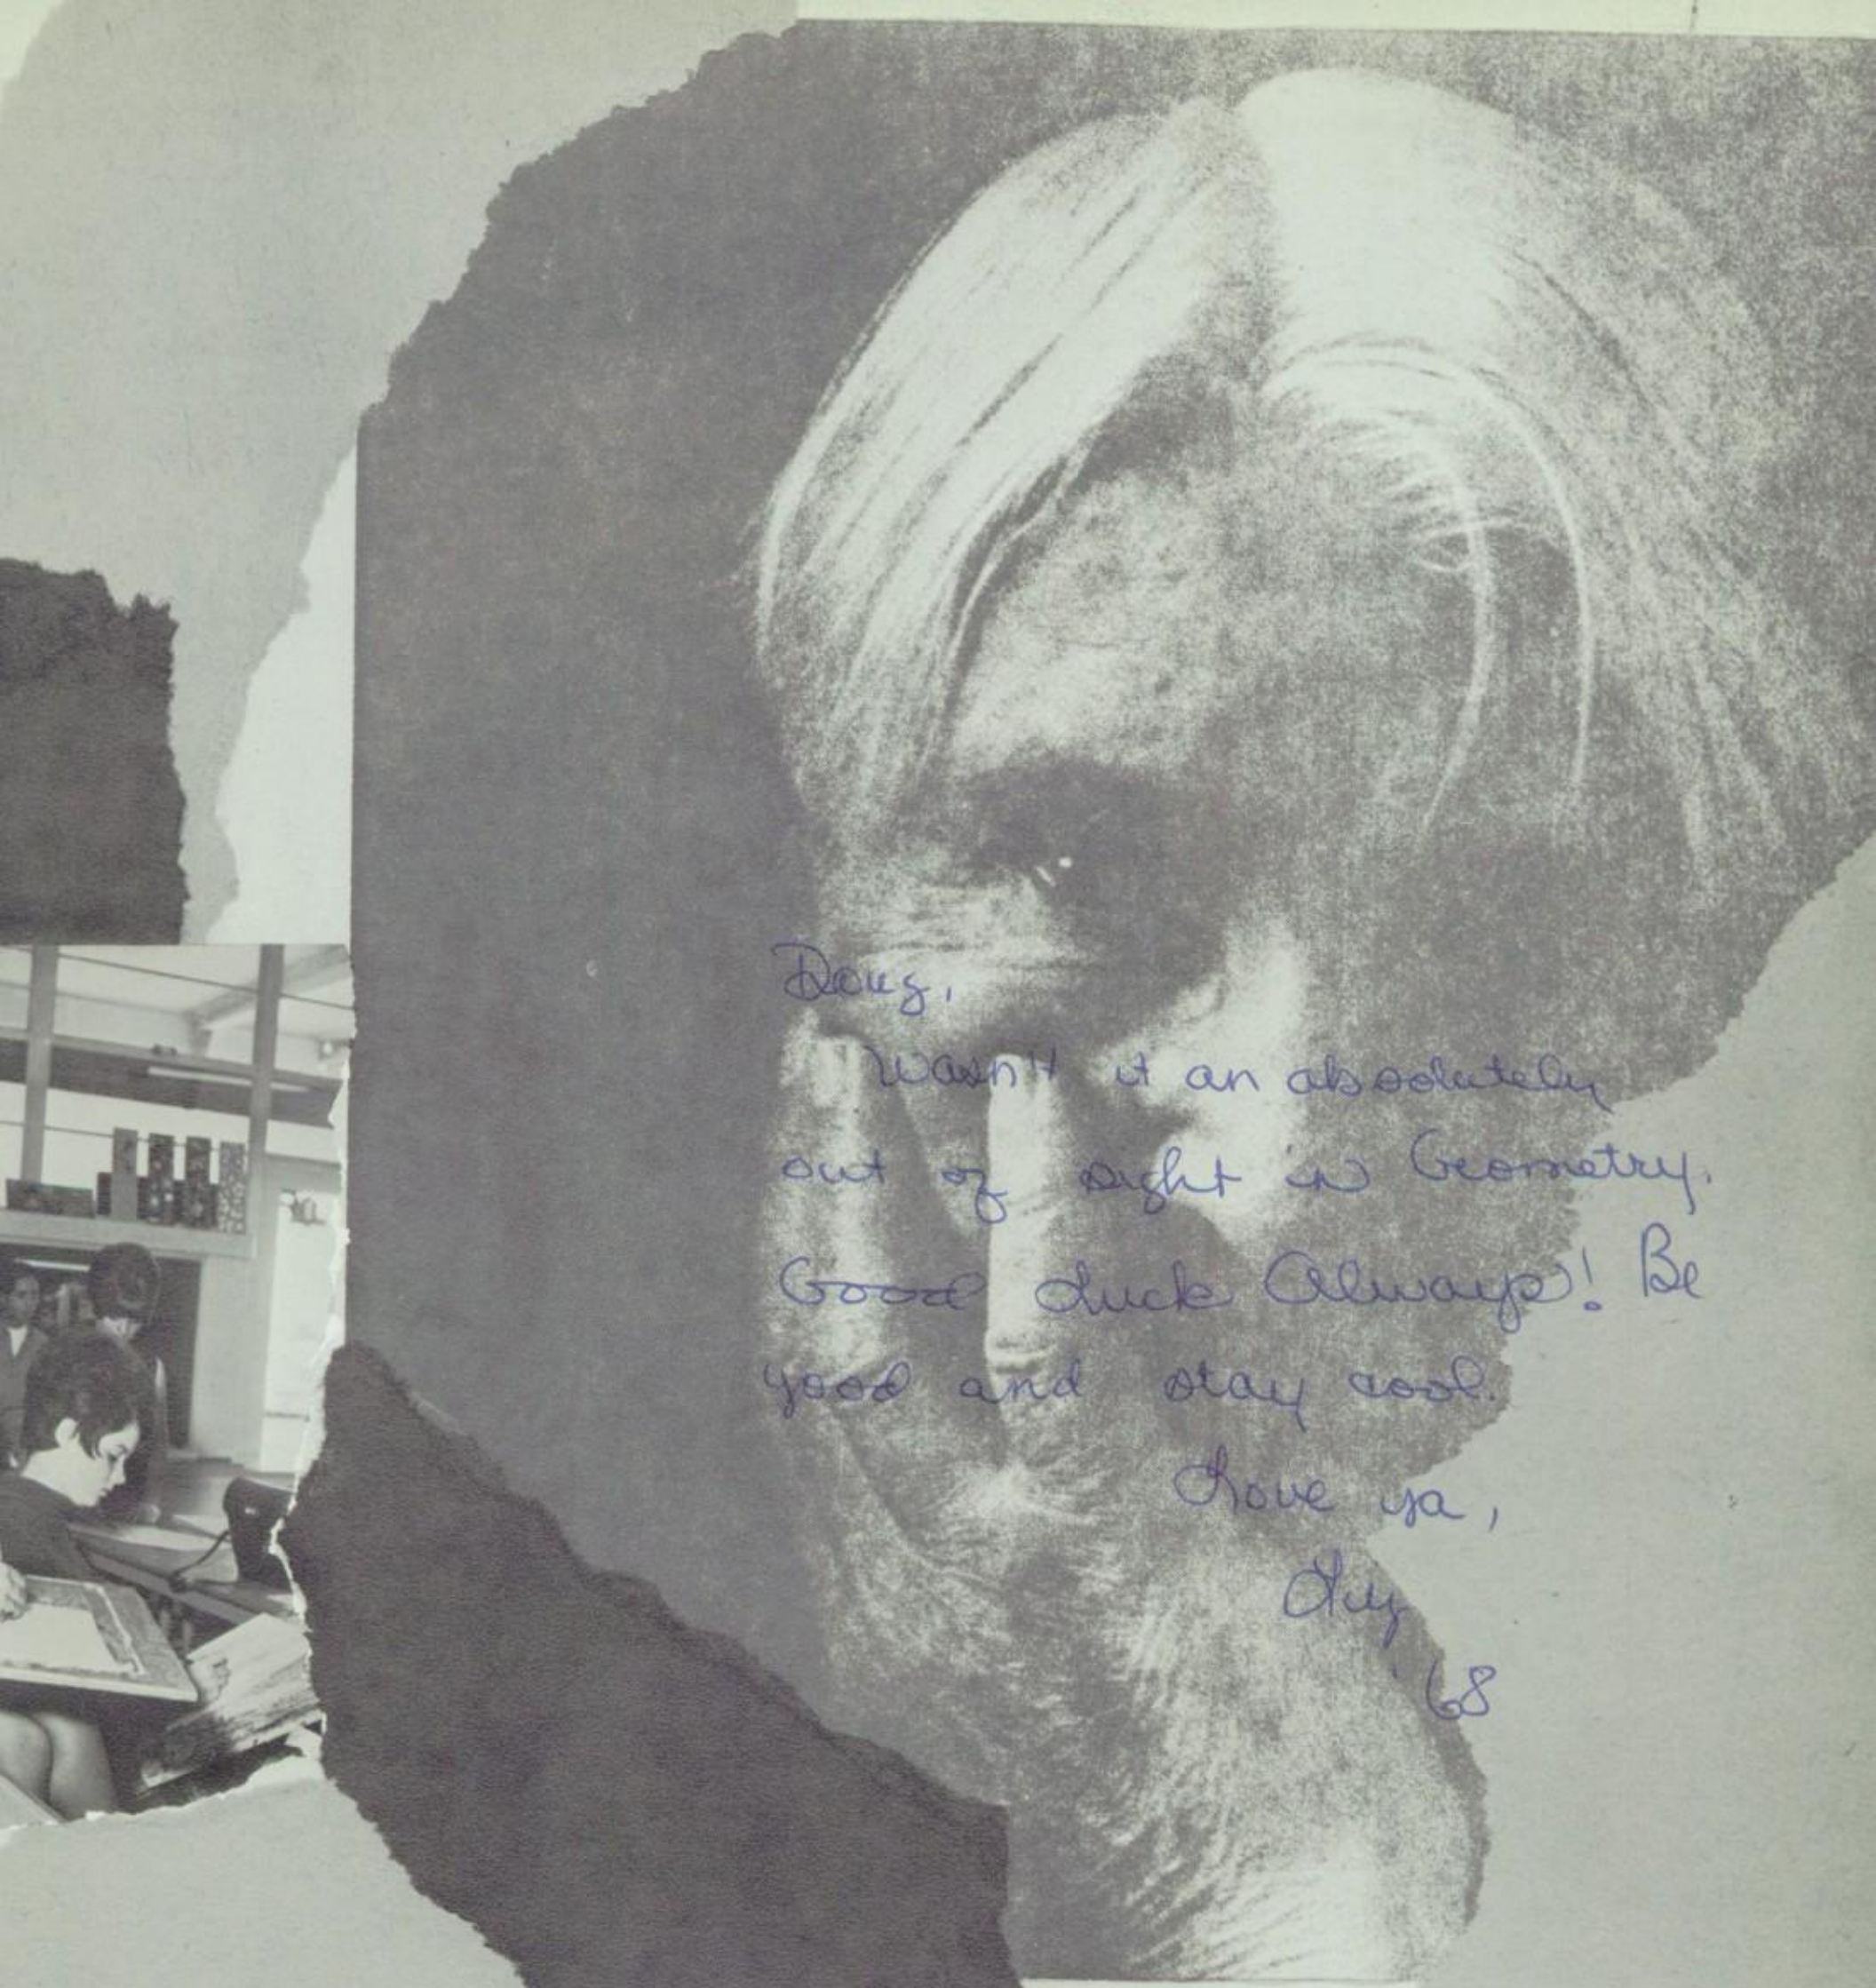


A SEEKER AMONG SEEKERS. . .

During his lifetime, Carl Sandburg was a seeker among seekers. He experienced many lives; reporter, author, TV & Radio personality, historian, and poet, but he continually sought the people. As a man he observed, and then, as a poet, he recorded what he saw in his own flowing language. And although his language eventually encircled the world in popularity, it usually concerned the man down the street, or some early pioneer, or perhaps some young president-to-be growing up.

Sandburg was a great link in the generation gaps. His readers knew no age limit, for he was as much a part of the child's world as anyone else's. After all, hadn't he written the "Rootabaga Stories" and the tales of Abe Lincoln for them? Thus another generation grew up in the shadow of this man.

Had he have been born in another place or time, we can't help but wonder how our world might have been altered. This man of Swedish immigrant parents became a symbol of all we have to be proud of in America. In his absence, it seems very fitting that his poems continue to seek on in the minds of the young.



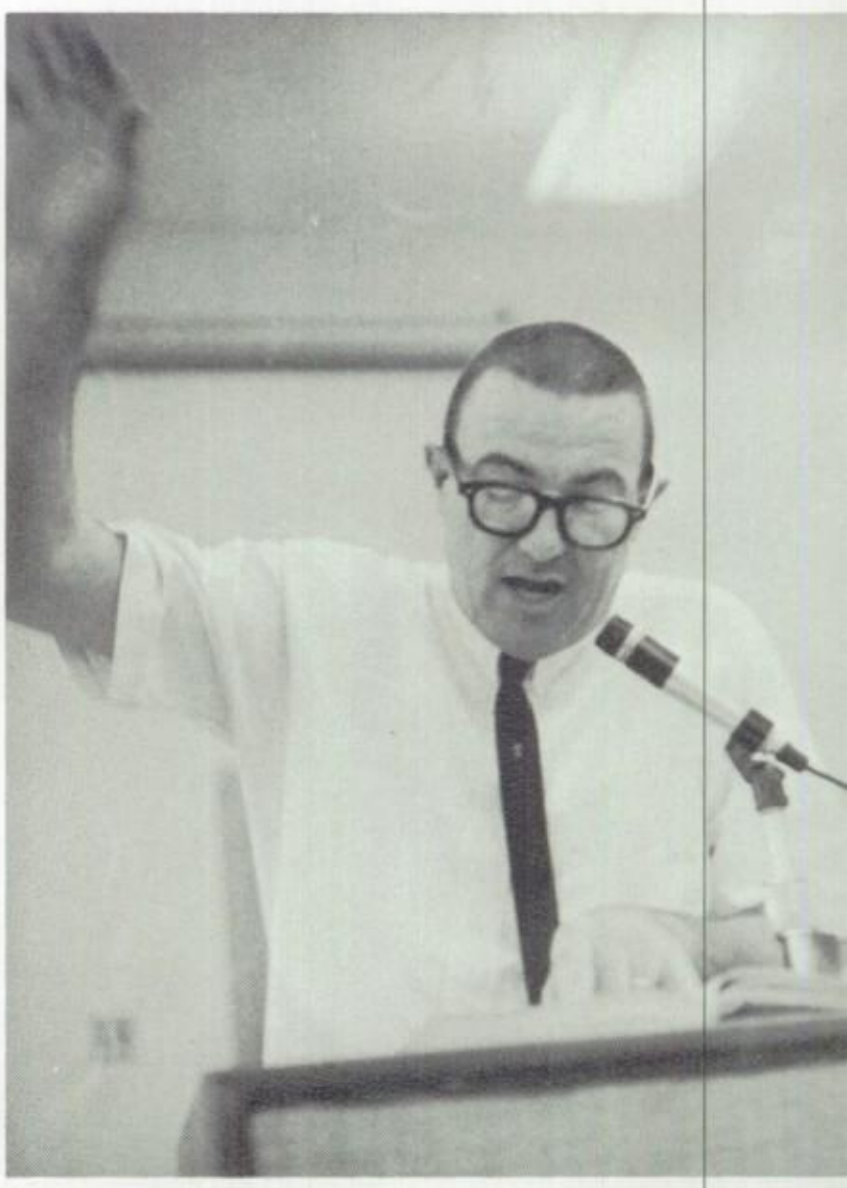
Doug,
Wasn't it an absolutely
out of sight 10 Geometry.
Good luck always! Be
good and stay cool.
Love ya,
Dy
'68

SMITH BROTHERS

He's defined as, "Gerald Francis Smith", and every student that has ever entered Lennox High has crossed his path one time or another, for this active teacher is head of the mathematics department, Cee football coach, Cee track coach, ass't athletics director, Pascal's Triangle sponsor, scorekeeper at all football games, this year's Santa Claus at the Christmas rally, and active in several community activities. Aside of all this he has 10 children to keep him busy. But with all these activities worries don't let Mr. G. Smith's humor down. His stories and jokes about his family, navy life and teaching experiences always seem to make math a tastier medicine to take. But of course he does have some bad days (usually caused by the sport score results from the previous day), and he seems to take it out on the math classes with his "surprise quizzes", "shotgun tests", "boardwork", "beep-beep films", or being a volunteer (?) to explain a problem on the overhead projector. But he's back in high spirits again if everyone passes one of his tests or if " . . . It's payday this coming Friday."

Gerald Smith graduated from Mount Carmel High School and attended Loyola University, in which he got B. S. and M. A. degrees in mathematics and biology. He furthered his studies in biology at Immaculate Heart and also attended L. A. State College for further education. He has been teaching in Centinela Valley Union High School District since 1960.

Because he is admired by both teachers and students for his outstanding abilities we wish to thank you, Mr. Gerald Smith, for all the fine work you have done here at Lennox by dedicating this 1967-68 Troubadour to you.



" . . . I've already given by bucket of sweat!"

Meet number ten.

9 + 1 = another mouth to feed.

(COUGH, COUGH)

To most of the students at Lennox, Mr. John Smith is known as "the patient Smith Brother." Like his brother he is a very active teacher being assistant Cee Football coach, Varsity track coach, participating in extra-curricular and community activities, besides teaching physics, physical science, life science, algebra I, math I and math II. Aside from being admired by students, his outgoing personality has made the teachers vote him in as President of the 1967-68 Centinela Valley Secondary Teachers Association. Unlike his brother, John Smith has a mere 4 children opposed to the "wall to wall" children of his brother.[1] His helpfulness and witty humor always seem to draw the class closer together, and the relationship between student and teacher is narrowed to a friend to friend basis.

John Smith graduated from Mount Carmel High School and then attended Loyola University, U.C.L.A., L.A. State College, and has been teaching here at Lennox since 1961.

Mr. John Smith, since you have dedicated yourself in helping and guiding students at Lennox, we would like to dedicate this 1967-68 Troubadour to you, for you, like your brother, certainly deserve our gratitude.

[1]Jack Vedder

This year the Staff members decided to have a double dedication for two very admired teachers because separating this pair just wouldn't be right. So, this year the Troubadour Staff wishes to dedicate the 1967-68 Troubadour to the Smith Brothers.

ADMINISTRATION

Mr. George Key
Principal

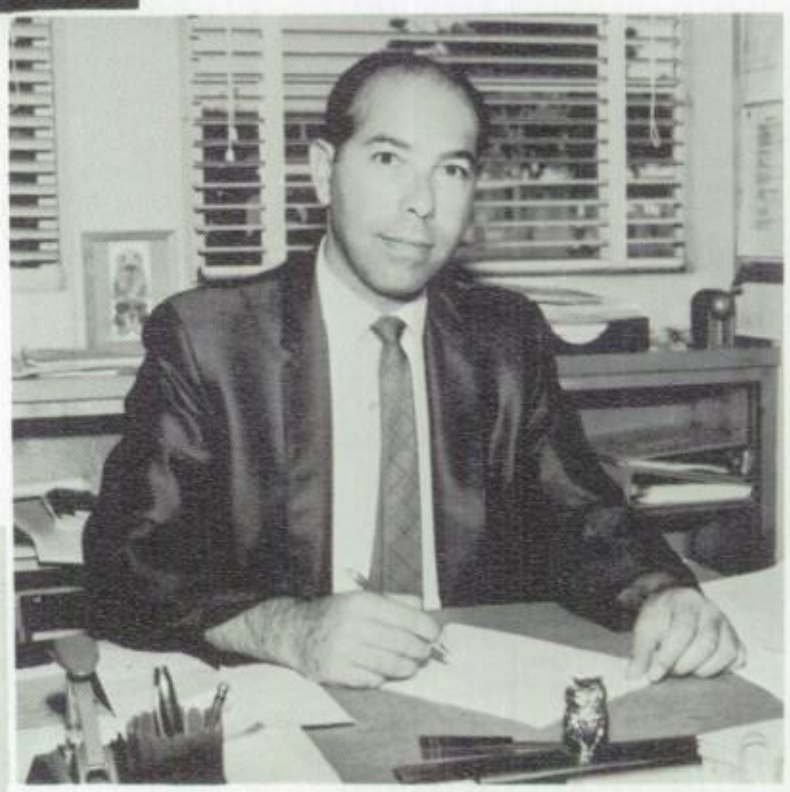
1967-68 Troubadour

Carl Sandburg, in his poem "Fish Crier", draws this picture "His face is that of a man terribly glad to be selling fish, terribly glad that God made fish . . . " Now, I would not want to liken students to fish, but rather find my kinship with the fish crier, for there is great happiness in the fact that God made students and that you have attended Lennox High School. Thank you for your friendship and your help in making this another fine year. Let us be proud of your accomplishments, as noted in this book, for they are now a part of our great Lancer history.

George G. Key

Best of luck always.

George



Mr. Weiss
Vice-Principal

Miss Chapralis
Vice-Principal

BUSINESS EDUCATION

The general goals of Business Education is to familiarize students with the many occupations in business and to train students for saleable skills in these occupations. However, non-business students-receive training in skills for personal use, and all students receive information in conducting everyday business transactions common to all consumers.

Mr. Boyd Bosler

Best wishes!

Mr. Carl Brant

FINE ARTS

MUSIC

The primary goal of the Music Department is to offer to as many students as possible the opportunity to participate in musical experiences; both in performance and in listening areas. Through the effort of the Music Department it is hoped that students will find their lives enriched by the enjoyment and appreciation of music.

Mr. Lauren Sanders

ART

Mr. Allan Stein

Art acquaints the student with a broad range of art skills, techniques and media applicable to home, school, community and industry.

Art provides cultural enrichment through the emotional and intellectual observation of contemporary and historical art patterns.

Whereas Art give ample opportunity for individual creative expression, it must also by necessity be a creative discipline. Aesthetic literacy is a required quality of the educated persons. He must have a knowledge of his society and develop a personal concept of art as a way of human expression.

DRAMA

Mr. Carroll Hauser
French and Drama

FOREIGN LANGUAGES

Mr. Henry Rappaport, Spanish

Mr. James Hunt, German

HOMEMAKING

Mrs. Gregory

The Home Economics Department includes courses and subject matter that will better prepare a girl for caring for herself and later her own family. This supplements the homemaking skills learned at home and often provides the beginning of a career in Home Economics.

Mr. Aitken

INDUSTRIAL EDUCATION

Mr. Peek

The four major objectives or purposes of industrial arts to provide opportunity for each student to develop (1) insight and understanding of industry and our society; (2) talent in our society.

In the fall of '64, a new freshman class entered Lennox with the firm conviction that they were different, better than other classes. In the times to come, they proved themselves right.

They started off their first year with Ken Sayles, Chuck Johnson, and Betty Oliver leading them on with a cup cake and cracker-jack sale. Second semester it was Bob Cowan, Pat Anderson, and Sherry Maxey. Dorothy DeSantis was our freshman princess. Ron Smith made varsity football.

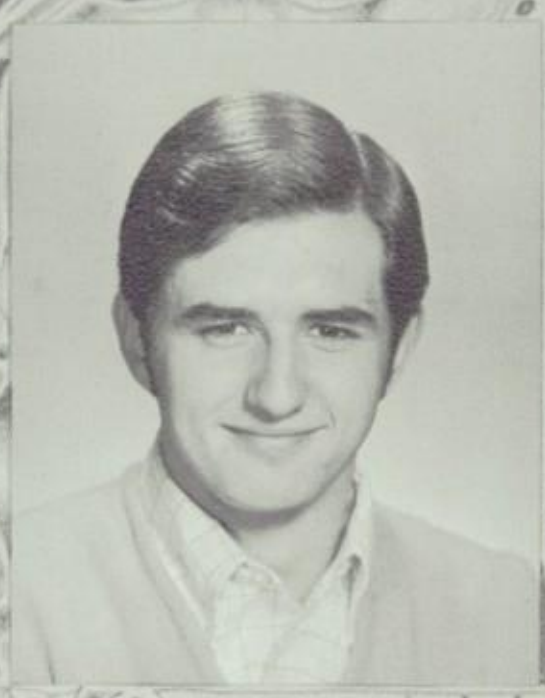
In our sophomore year, the class of '68 co-sponsored a book fair, a dance and had various sales. We also became the first class to have our senior rings set in stones. The contributions of sophomore boys were numerous and aided Lennox greatly. Many of our girls also got their first bid at drill team. Cathy McClure was our Sophomore Princess and Dorothy DeSantis was Baseball Princess. Officers for this prosperous year were: Frank Green, Anita Mac Mahon, and Dorothy DeSantis frist semester; Mike Thompson, Mike Holland, and Terry Juchem second semester.

Beginning our junior year, the Elysians began to show personality as a class. Their senior colors were green and blue. By now their athletic prowess was apparent. Aided by such outstanding players as Ron Smith and Gary Sneed, Lennox took CIF in Pioneer League Wrestling. The year of the Phoenix reigned over Lennox.

Our class officers were Andy Ziemann, Frank Green, and Melanie Woods first semester; Paul Marshall, Richard Kistler and Pat Anderson second semester. Cyndi Frohner was our Basketball Princess; Dorothy DeSantis our junior princess.

Our senior year began with controversy as the symbol of the Class of '68, the Peace sign, took shape in Senior Square. But besides that, it was a year of firsts for all Lancers. For the first time in Lennox history, our Varsity football team beat El Segundo, 21-7. During Charities Week, Lennox exceeded its goal and produced $700 towards the building of a school in South America. Meanwhile, seniors displayed great selling ability as they sold out their three consecutive Daffy Apple sales. Seniors also made a great success of a usual flop--the Christmas "Silver

Chuck Johnson
2nd Semester President



Bud Bulmer
2nd Semester Vice President

Betty Esquivel
2nd Semester Secretary

Bells" Dance.

Fall and winter sports were dominated by seniors such as Ron Smith, Sam Ceci, Don Haines, George Salempessy, Roland Gout, Howard Fleury, and Dan Hernandez. Varsity football starred Sam Ceci, Ron Smith, Rod Cavner, Richard Kistler, Rick Apodaca, and Roland Gout.

The second semester of the senior year was immediately engulfed by Spring Sports Week in an effort to raise the addition money for the school partnership program. The senior class made a fine showing with its highly controversial kite and a final and complete victory by winning not only the annual tug of war, but also the rally at the end of the week.

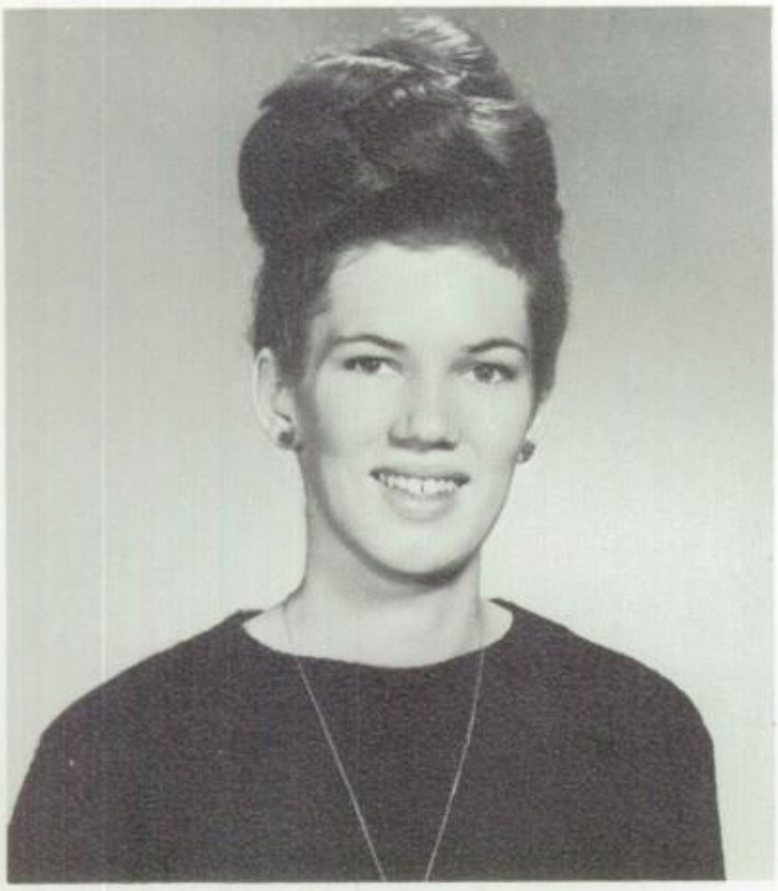
Even before Spring Sports Week was over the final touches were being put on the Junior-Senior Prom. The theme was "Maritime Moonlight" which was fitting for the scene of the prom--the S. S. Princess Louise. This was a first in Lennox's long history. The seniors again struck a blow for originality.

In sports, the senior class was heavily represented in the fall and spring sports by such hefty Lancers as Sam Ceci, Hugh Culpepper, Dale Jensen, David King, Andy Ziemann, Bud Bulmer, Ken Sayles, Jeff Finch, Steve Jumps, Gary Sneed, Mike Ward, and Bob Brown.

Student Council was traditionally senior dominated second semester with such leaders as Mike Thompson as A. S. B. President; Richard Kistler, A. S. B. Vice-President; Charlotte Lee, A. S. B. Secretary; Pam Darton, Treasurer; Cyndi Frohner, Pep Squad Rep.; Dorothy DeSantis, Commissioner of Activities; Chuck Johnson, Senior President; Bud Bulmer, Senior Vice-President; and Betty Esquivel, Sec.-Treasurer.

The Class of '68 above all else was different--in dress, in actions--in attitudes. For a class that people laughed at for almost three years, it has accomplished too much to be just another graduating class; the class which was born under the sign of the Phoenix.

VALEDICTORIAN



Nancy McCabe

With great pride, Lennox High School pays tribute to Miss Nancy McCabe, Valedictorian of the class of 1968. It was with hard work and determination that Nancy was able to secure her number one position.

Although Nancy spent much of her time studying, she was able to find time to be quite active on campus. During her years at Lennox she took an active part in Pascal's Triangle, the California Scholarship Federation, and class Cabinet meetings. Along with these activities, Nancy has been a steady member of Girls' League, and was president of the club in her Senior year.

We, the Troubadour Staff want to congratulate Nancy on her outstanding achievements at Lennox these past four years, and wish her the best of luck in the future.

SALUTATORIAN

Janelle Goin

Behind the quiet personality of Janelle Goin, we find the Elysians' Salutatorian. It is with honor and thankfulness that Lennox High School presents her to you.

Although Janelle was very petite and quiet, she was quite outstanding during her four years at Lennox. She was involved quite extensively in the music department on campus. Jan was a band member for four years, and she sang in the choir and the Hi-Tones. During her Senior year she was Drum Majorette for the band and a member of the newly formulated Dance Band at Lennox. With these accomplishments in the field of music, she also found time for the California Scholarship Federation, Girls' Athletic Association, and Girls' League. Jan also showed her leadership abilities by taking an active part in Student Council and class Cabinet.

Congratulations, Miss Janelle Goin, on four very excellent high school years.

ELEVEN HONORED

Linda Knipps

Gregory Kuhl

Richard Kistler

MAN OF THE YEAR

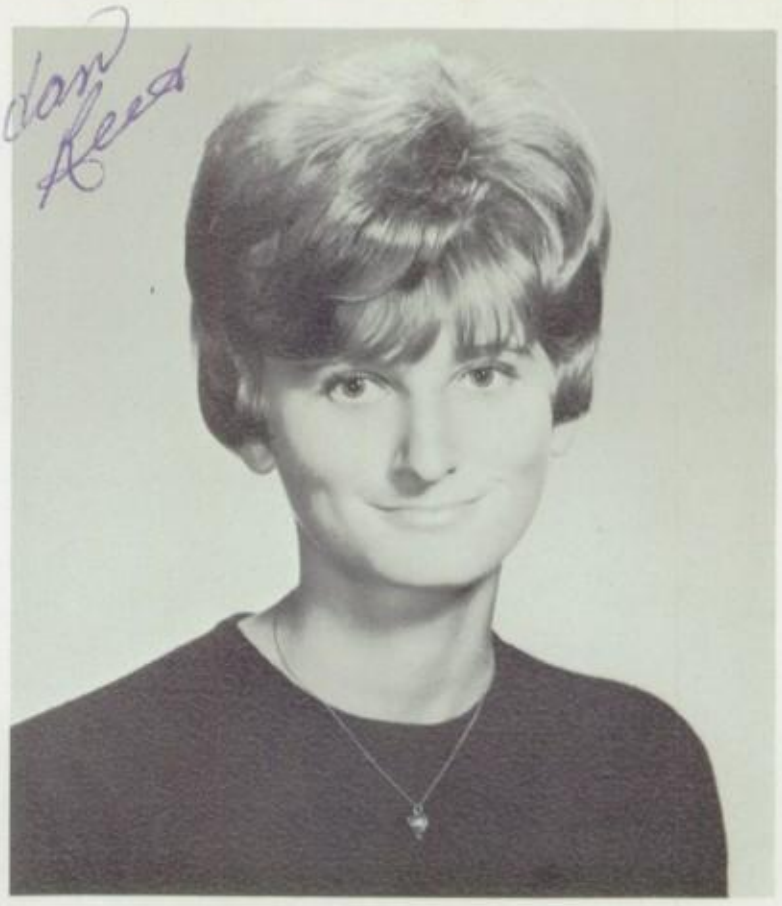
Kenneth Sayles

The 1968 Troubadour Staff proudly presents Kenneth Sayles, Man of the Year. He was chosen on the basis of scholarship, contributions to school life, and responsibility.

Ken was involved in Basketball and Football during his years at Lennox. As well as being an outstanding athlete, Ken also proved to be an outstanding leader. He was Freshman President and later Student Body President. Ken was also a member of the YMCA where he held several offices, as well as being a member of a Tri-Hi-Y Club. An added interest of Ken was in the field of music. He was a member of several bands during his high school years.

We, the Troubadour Staff wish to thank you, Ken Sayles, for four years of accomplishment and contributions to Lennox.

WOMAN OF THE YEAR



Janice Rees

The Troubadour Staff of 1968 presents Miss Janice Rees, selected as Woman of the Year. She was a very active student at Lennox during her four high school years.

Janice was a regular attender of Girls' League and class Cabinet. In her Sophomore year she was a majorette. One dominant interest in Jan's life fell into the area of Fine Arts. She was an active member of the Art club. As a Junior, Jan was chosen as alternate representative to Girls' State. Her Senior year was engulfed by Drill Team and all their activities.

We thank you, Jan, for all the time and work you spent helping Lennox stay as great as it is by naming you Woman of the Year.

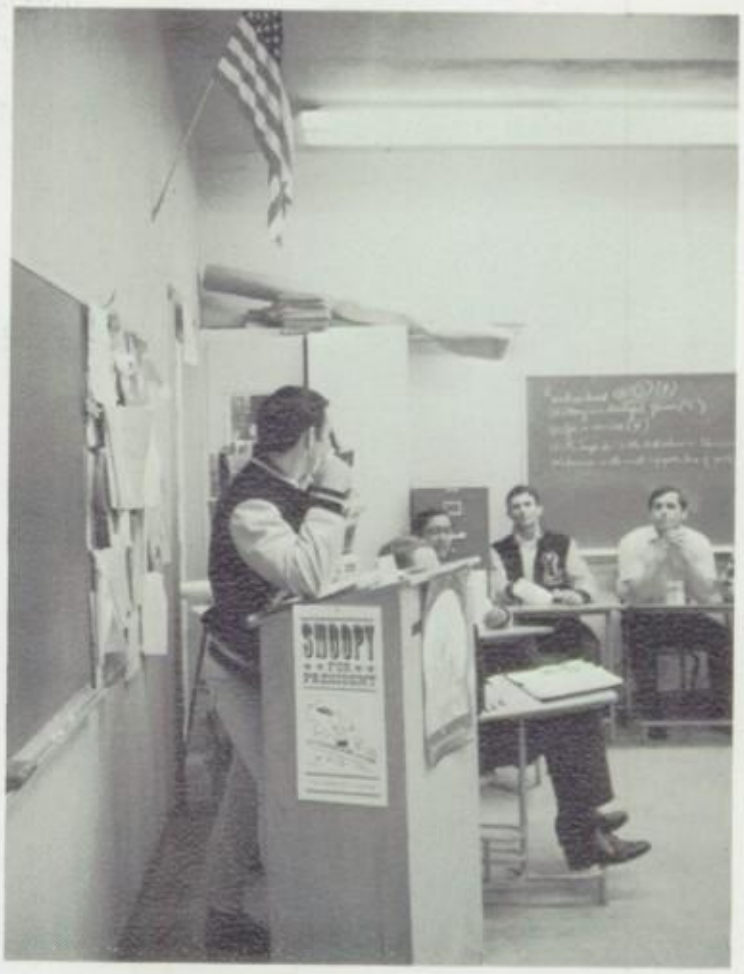
CLUB OF THE YEAR:

LETTERMEN'S CLUB

The Lettermen's Club has been chosen the club of the year because of its activities throughout the year. Lettermen's Club has sponsored the Lettermen's pie throw every year. This club is made up of the most athletic men on campus. Some of the officers for this year are: Gary Sneed president, Howard Fleury vice-president, and George Salampesy treasurer. Sam CeCi was first semester president. This club is well deserved of this award.



PASCAL'S TRIANGLE

If in no other way this year, Pascal's Triangle has ruled (slide) over Lennox. It has made several coke sales for basketball games and at plays. Its purpose is to promote interest in mathematics.
